Effective October 18, 2018

REVISED SHEET NO. 97  
Effective November 16, 2022

## SCHEDULE TOU-RI

### RESIDENTIAL INTERIM TIME-OF-USE SERVICE

#### AVAILABILITY:

This Schedule is closed to new enrollments effective October 31, 2022. Service under this Schedule will terminate twelve months after new residential TOU rates become effective as determined in the Advanced Rate Design Track of Docket No. 2019-0323.

#### Applicable to:

1. Residential service in a single family dwelling unit metered and billed separately by the Company.
2. Separately metered charging of batteries of on-road electric vehicles at the customer's place of residence. The battery charged must have a capacity of not less than 4 kilowatt hours, and the electric vehicle must be capable of operation on public streets, roads, and highways. This Schedule option requires County permitted and approved installation of a meter that measures electricity for the sole purpose of charging electric vehicle batteries.

This Schedule does not apply where a residence and business are combined. Service will be delivered at secondary voltages specified by the Company.

Service under this interim time-of-use program is optional, and is available to no more than 5,000 residential customers in total at the Hawaiian Electric Company, Hawai'i Electric Light Company, and Maui Electric Company.

#### RATES:

CUSTOMER CHARGE - \$ per customer per month:

For residential service in a single family dwelling unit:

Single-Phase Service - per month	\$11.50/month
Three-Phase Service - per month	\$20.50/month

Effective November 21, 2016 to  
October 17, 2018

REVISED SHEET NO. 97B  
Effective October 18, 2018

SCHEDULE TOU-RI - (continued)

DETERMINATION OF TIME-OF-USE ENERGY:

The Company shall install, own, operate and maintain a time-of-use meter to measure the customer's kWh energy consumption during the time-of-use rating periods.

TERMS AND CONDITIONS:

1. The Company may meter the customer's energy usage for one to two months before the customer's service start date under this Schedule, to allow the Company to gather the customer's baseline load profile.
2. The Company shall install the time-of-use meter in accordance with Rule No. 14. Although the existing service equipment is expected to be used, the customer shall provide, install, and maintain the service equipment specified in Rule No. 14, such as all the conductors, service switches, meter socket, meter panel, and other similar devices required for service connection and meter installation on the customer's premises.
3. A customer may terminate service under this rate Schedule and return to service under an applicable regular rate schedule at any time without penalty, by providing notice to the Company. If a customer elects to discontinue service under this Schedule, the customer will not be permitted to return to this Schedule.
4. Customers who enroll in this interim time-of-use program for other than separately metered service for electric vehicle charging will be provided with the calculation of their bill under Schedule R rates for comparison and to better manage energy consumption. The inclusion of the Schedule R bill presentation will be available for six months, however, the customer will be responsible for the bill calculated based on the Interim Time-of-Use Service rates.

HAWAIIAN ELECTRIC COMPANY, INC.

Schedule TOU-RI - (continued)

TERMS AND CONDITIONS - continued:

5. Upon termination of service under this Interim Time-of-Use Service schedule or upon expiration of this schedule, the customer shall be billed under an applicable regular rate schedule or, if applicable, a successor rate schedule.
6. The Company may request that customers respond to or participate in customer surveys and other data collection and program evaluation efforts related to their energy usage for the purpose of improving the Interim Time-of-Use Service or successor time-of-use programs.
7. The above Time-of-Use Charges will be re-established effective January 1, 2025 based on estimated marginal costs for 2025, as required by the Public Utilities Commission's Order No. 35740 in Docket No. 2014-0192. All rates in this Schedule are subject to revision upon Commission approval of revised base rates and cost-of-service in a general rate case.

ENERGY COST RECOVERY CLAUSE:

The Monthly Energy Recovery Factor provided in the Energy Cost Recovery Clause shall be added to the sum of the Customer Charge and Non-Fuel Energy Charges.

OTHER SURCHARGES:

All other surcharges applicable to service under Schedule R shall be added to the sum of the Customer Charge, Non-Fuel Energy Charges, and the Monthly Energy Cost Recovery Factor.

RULES AND REGULATIONS:

Service supplied under this rate schedule shall be subject to the Rules and Regulations of the Company.
