FOR IMMEDIATE RELEASE

Emergency pole replacement Fri. near Uppers Beach Park in Hale'iwa to impact traffic along Kamehameha Highway

Street parking also restricted in work area on 4/19, 8:30 a.m. – 2:30 p.m.

HONOLULU, April 16, 2024 – Hawaiian Electric crews will conduct emergency work to replace a utility pole and install equipment on an adjacent pole located near Uppers Beach Park in Hale'iwa on Friday, April 19, from 8:30 a.m. to 2:30 p.m.

The work will partially close the makai lane of Kamehameha Highway with traffic contraflowed in the mauka lane and parking restricted in the work zone, which starts around 'Ili'ohu Place to Tutu Street approaching Uppers Beach Park.

An electronic message board has been posted to alert motorists of the upcoming work.

Special duty police and flagmen will assist with onsite traffic control. Safety signs, arrow boards and traffic cones will mark the work area and guide motorists to the contraflow lane.

Drivers are encouraged to reduce speeds when approaching and passing the work zone, expect traffic delays or use alternate routes.
