Types of Electrical Service Requests

Temporary Dwelling

- ✓ County permit required
- ✓ Certain costs may apply

Temporary Construction

- ✓ County permit required
- ✓ Certain costs may apply

Permanent Service

Permanent Service Requests

Ready to Build Long-Term Structure

- **No cost for like-to-like restoration**
- Costs may be incurred for some requests that differ from original service. For example:
  - Upgrading/changing service
  - Converting service line (overhead to underground)
  - Moving your metering point

Starting a Service Request

- Prioritizes the rebuild in your area based on service request
- Recommend starting with a Licensed Electrical Contractor
- Recommend submitting the request as soon as you receive the appropriate permits
- Customer Interconnection Tool (CIT): www.hawaiianelectric.com
