

**With Automatic Bill Payment, your bank, savings and loan, or credit union handles all the hassles of bill paying—automatically—and it's FREE.**

Just fill out the form below to sign up for Automatic Bill Payment service, and your bank, savings and loan, or credit union will pay your electric bill automatically by deducting it from any account you choose. We'll be pleased to handle all the arrangements for you.

For your convenience, the payment is deducted one to two working days after the due date noted on the bill. There's plenty of time to review the bill before it's paid and to call our customer service representatives if you have a question. For more information regarding Automatic Bill Payment, call 548-7311 on O'ahu, 871-9777 on Maui, or 969-6999 on Hawai'i Island.

The date of the first deduction from your bank account depends on the balance of your account on the day of activation:

- If your balance is zero, the first deduction will be a few days after the due date of your next bill.
- If you have a balance that is not yet due, the first deduction will be a few days after the due date on your last bill.
- If you have a past-due balance, the first deduction will be within the next few days.
