Effective December 12, 2017 to
June 30, 2023

REVISED SHEET NO. 110
Effective July 1, 2023

LANAI DIVISION

SCHEDULE EV-U

COMMERCIAL PUBLIC ELECTRIC VEHICLE CHARGING SERVICE
PILOT

APPLICABILITY:

This Schedule is applicable only for DC fast charging service provided to on-road electric vehicles at Company-operated public electric vehicle charging facilities. A maximum total of twenty-five (25) DC fast charging customer accounts (i.e., 25 utility meters) across the combined service territories of Hawaiian Electric Company, Inc., Maui Electric Company, Limited, and Hawaii Electric Light Company, Inc., will be permitted under this Schedule. The Companies may submit a request to increase the permitted maximum for the review and approval of the Hawaii Public Utilities Commission.

SERVICE:

Public electric vehicle charging service to on-road electric vehicles at designated Company facilities.

Procedures for proper use of the Company's charging facilities are provided at the facilities. The vehicle operator is responsible for following procedures properly.

RATES:

TIME-OF-USE RATE PER CHARGING SERVICE KWH

On-Peak Energy Charge	- per on-peak kWh	72.0000 ¢
Mid-Day Energy Charge	- per mid-day kWh	60.0000 ¢
Off-Peak Energy Charge	- per off-peak kWh	70.0000 ¢

MAUI ELECTRIC COMPANY, LIMITED

Transmittal Letter Dated May 22, 2023.

Schedule EV-U (Continued)

The Time-of-Use Energy Charges may be re-set each quarter, upon a notice filed with the Commission, to reflect (1) rate changes in the electric rate schedule applicable to the Company-operated electric vehicle charging facility, (2) changes in other costs to operate the charging facility, and (3) efforts to assess the market price appropriate for this service.

The quarterly Time-of-Use Energy Charges shall become effective within two (2) working days of the first day of the quarter.

The Company-operated public electric vehicle charging facility is subject to the appropriate rate schedule for electric service.

TIME-OF-USE RATING PERIODS:

The Time-of-Use rating periods under this Schedule shall be as follows:

On-Peak Period:	5:00 p.m. - 10:00 p.m., Daily
Mid-Day Period:	9:00 a.m. - 5:00 p.m., Daily
Off-Peak Period:	10:00 p.m. - 9:00 a.m., Daily

The start time of the charging session shall determine the applicable time-of-use period.

CONDITIONS OF SERVICE:

The Company may, from time to time, curtail electric vehicle charging (1) when there is insufficient generation to meet a projected peak demand period (at the discretion of the Company), (2) to support system reliability, (3) for economic purposes, or for pilot evaluation purposes.
