Re: Docket No. 2015-0389, Community-Based Renewable Energy Program ("CBRE")  
Hawaiian Electric's Request to Modify the Mid-Tier Standard Form Contract for the  
Molokai CBRE Phase 2 Request for Proposals ("RFP"), filed on February 9, 2022.

Dear Ms. Matsushima:

The Commission agrees with Hawaiian Electric's goal to encourage robust proposer participation and more favorable pricing in the Molokai RFP. Therefore, the Commission approves of Hawaiian Electric's proposal to extend the Commercial Operations Date for the Molokai CBRE RFP from 18 months to 24 months, without changing the Guaranteed Commercial Operations Date. Hawaiian Electric must file a redlined version of Mid-Tier Standard Form Contract for Molokai, and related implementation details in response to PUC-HECO-IR-146. The Commission also approves Hawaiian Electric's plan to extend the RFP bidding deadline from February 15, 2022, to March 1, 2022.

Sincerely,

  
Jennifer M. Potter  
Commissioner
