

Better Buildings Benchmarking Program

Authorization/Consent to Release Electric Use Data

The City and County of Honolulu (City) established the Better Buildings Benchmarking Program to advance Honolulu's goal of carbon neutrality by 2045. This program is in accordance with Ordinance 22-17, which Mayor Blangiardi signed into law July 20, 2022. (For background information on the Better Buildings Benchmarking program, please visit: resilientoahu.org/benchmarking.)

By **June 30, 2023**, all commercial and multifamily buildings larger than 100,000 square feet are required to track and report annual energy-use data to the City. As a metered account-holder within a building >100,000 square feet, your consent is required for Hawaiian Electric (Utility) to release and aggregate the energy-use data of your metered-account in said building.

- As part of the aggregation process, the Utility will combine the energy-use data of all metered-accounts into a single file for the entire building, such that individual metered-account energy-usage data is no longer identifiable. This is done to protect the privacy and anonymity of each individually metered account.

Please complete all required fields below:

*Your Name:	
*Phone:	*Email Address:
*Electric Account Number: <i>(12-digit electric account number)</i>	*Electric Account Name: <i>(Enter account name exactly as it appears on electric bill)</i>
*City and County Unique Building ID: <i>(Enter the building ID number provided by your building owner, property manager, or correspondence from the City)</i>	*Service Address for Electric Account: <i>(Enter service address exactly as it appears on electric bill)</i>
*Relationship to Property Owner:	

Acknowledgements:

- I attest that I am the customer of record (or individual authorized to act on behalf of the customer of record) for the account listed above.
- I grant authorization to the Utility to include the aggregate annual energy-use data for my electric utility account in the whole building data for which I am a metered account-holder.
- This data is being released expressly for the purposes of participating in the Better Buildings Benchmarking program.

*Signature: <i>(Please type your first and last name)</i>	*Date Signed:
---	----------------------

**Denotes required field*

Requests for whole building data will be validated and processed by Hawaiian Electric personnel in the order received (typically 15 business days).

Please complete, e-sign, and submit this form to bbb@hawaiianelectric.com.
