REASON FOR AMENDMENT/REVISION
<i>Briefly describe the requested changes to the amendment:</i>

GRANT OF AUTHORITY

- I hereby appoint and authorize the contractor listed to act on my behalf in all manners relating to my Distributed Energy Resources (DER) application, including but not limited to, the authority to (i) request, access and receive directly from Hawaiian Electric Company, on my behalf, all information and documentation relating to my proposed project, and (ii) make decisions and execute agreements, if required, regarding the proposed project.
This Grant of Authority shall remain in effect until Hawaiian Electric Company receipt of written termination of such Grant of Authority by Customer or resubmittal of an updated Grant of Authority.
I acknowledge that this authorization is granted for the sole purpose of my application, and for managing questions related to the system post-installation. Utility service outside of the PV system is not included, unless said information directly affects processing of my application. I understand that a new form must be submitted if I change my installing contractor.
I acknowledge that I have had an opportunity to review and seek clarification from Hawaiian Electric and/or my contractor with respect to the EDRP terms and conditions, as such terms are made available by Hawaiian Electric at Rule 31 document, including, but not limited to, the scheduled dispatch of energy storage.
I further acknowledge my understanding of the terms and conditions of the EDRP, and confirm my participation in the same. I will complete, or have completed, the Scheduled Dispatch Program Agreement, and will abide by the conditions therein.

I certify that, to the best of my knowledge, all the information provided in this Amendment is true and correct. I will not interconnect and operate additions to the existing system without prior written approval by Hawaiian Electric.
