## **Assumption of Distributed Energy Resources Interconnection Agreement**

This Assumption of DER Interconnection Agreement (“Assumption”) is made by the undersigned Customer-Generator or Owner/Operator, as applicable (“Assuming Party”), in connection with a change in ownership of the Generating Facility described in that certain approved DER interconnection agreement with Agreement ID No. \_\_\_\_\_ (the “Interconnection Agreement”).

By signing below, Assuming Party agree as follows:

1. Assuming Party became the new owner of the Generating Facility as of \_\_\_\_\_ (the “Effective Date”), as evidenced by the supporting documentation of such change in ownership submitted to the Company concurrent with this Assumption. Failure to provide the Company such supporting documentation together with an executed Assumption may delay the Company’s processing of such change in ownership and Assuming Party’s assumption of the Interconnection Agreement.
2. As of the Effective Date, Assuming Party hereby unconditionally assumes from the previous Customer-Generator or Owner/Operator of the Generating Facility, as applicable, all of such party’s rights, interests, obligations and duties pertaining to the Generating Facility under the Interconnection Agreement.
3. This Assumption shall be binding upon and inure to the benefit of the parties hereto and their respective successors, legal representatives, and permitted assigns.

IN WITNESS WHEREOF, the undersigned Assuming Party has caused this Assumption to be executed as of the date set forth below.
