When a Bill Is Estimated

We try to read your meter each month, but if for some reason we cannot, your bill will be based on an estimate of recent average use. You are responsible for ensuring that your meter is unobstructed and accessible.

Important Information

Moving or Starting New Service

Please call us at least 2 business days before moving or starting new service.

Late Payment

A late payment charge of 1% (for electric service accounts) and 0.83% (for non-electric service accounts) shall be applied to any unpaid balance (excluding late payment charges) no earlier than 31 days since the generation of the last bill.

Your service may be disconnected if payment is received after the stated due date. If your service is disconnected, you may be required to pay your bills in full before your service is restored, and to pay a service establishment charge and a cash deposit.

Life Support or Emergency Equipment

Please contact Customer Service if anyone living in your home is dependent on life support or emergency equipment. However, because unplanned outages can and do occur, it is important for customers on life support to make alternative plans should the power go out at their homes.

For other information regarding your service, account charges, online account access, privacy policy, rate schedules, visit hawaiianelectric.com or call Customer Service.
