**Please read carefully. By signing this form below, you represent that you understand and accept the following:**

*Any line location identified by Hawaiian Electric is an approximation. The exact location of facilities may differ from that shown on prints or indicated by stakeouts. Hawaiian Electric shall not be liable for any location inaccuracy. As a safety measure, to verify the actual location, the contractor shall perform field verification by hand digging methods. The presence of a Hawaiian Electric employee at the site shall not relieve the contractor of its independent responsibility to field verify actual facility location by hand digging, and it shall not relieve the contractor of its duty to make all efforts to protect against potential injury or damage resulting from contacting electric lines.*

**CLEARANCE TO EXCAVATE VALID 90 DAYS FROM APPROVAL DATE. IF THE CONSTRUCTION HAS NOT BEEN COMPLETED WITHIN 90 DAYS APPLICANT MUST REAPPLY.**
